SUMMARY OF THE REASONS FOR DECISION:

The magazine entitled *Pussies Wide Open Nr 7* is classified as:
Objectionable.

The magazine contains photographs depicting women splaying their labia with their fingers. The entire focus of the magazine is the display of the women's genitalia. The objectification of the women's genitals throughout the publication dehumanises and demeans the women to a strong degree. The New Zealand Bill of Rights Act 1990 has been considered in relation to the magazine. Because of the strong degree to which the magazine dehumanises and demeans the women the availability of the publication is likely to be injurious to the public good.
